### Description

Discipline: arts visuels

Service offert: atelier (ouvert au grand public)

Clientèle visée : adultes

I am an acrylic painter, who creates naive, folk art paintings of country scenes. I like to paint happy pictures of farms, houses, children, and animals - with lots of colour. I exhibit locally since 1983, and I am represented in galleries across Canada since 1992. My paintings can be seen on my website, or by appointment at my studio.
